

Wetrok Karpawel Plus
Deep-cleaning action for hygienic results

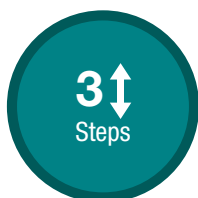

Karpawel Plus: optimised vacuuming performance and minimal energy consumption

The compact deep-vacuuming and pile-brushing machines Karpawel 36 and 46 Plus can handle any type of carpeting with ease. These vacuum cleaning machines get to the bottom of the dirt with their unique combination of rotating brushes and extra-strong vacuuming power. The detachable hose reaches every corner and other hard to reach places for optimised cleaning results.

The extended power cord allows the machine to reach every corner of large rooms with ease. No more time-consuming wall socket changes when working through multiple smaller rooms.

The three-step manually height-adjustable brush easily adapts to various carpet pile heights, making the transition from one type of carpet to the next a breeze.

All accessories are stored on practical holders on the machine for easy access and the high suction power ensures efficient and fast cleaning.

Article Number	40010	40011
Basic Version		
Crevice nozzle	•	•
Upholstery nozzle	•	•
Technical data		
Working width	36 cm	46 cm
Total width	37 cm	47 cm
Weight	8 kg	9 kg
Total length	25 cm	
Total height	124 cm	
Dust storage capacity	6 l	
Rated power	700 W	
Intake pressure	22 kPa	
Airflow rate	30 l/s	
Rated voltage	230 V	
Frequency	50/60 Hz	
Power cable length	12 m	
Action radius approx.	14 m	

Nozzles		Sales unit
41002	Crevice nozzle	1 pce.
41003	Upholstery nozzle	1 pce.

Consumables		Sales unit
42005	Micro-fleece bag	1 pce. = 5 bags
42031	Scented platelets	1 pce. = 10 platelets

Filter		Sales unit
42006	EPA filter	1 pce.
42007	Waste air filter	1 pce.
42008	HEPA filter	1 pce.
