

Wetrok Variwet Plus  
The first-class spray mop system

**wetrok**<sup>®</sup>

# The next generation of spray mopping

Wetrok has completely revised the Variwet spray mopping unit. The result: Variwet Plus – Likely the most user-friendly spray mopping unit on the market. The design was influenced by the latest findings in cleaning technology and user research. This makes Variwet Plus your ideal helper for fast and hygienic cleaning of hard and elastic floor coverings.

## Your product advantages:

### ROBUST

- Glass-reinforced plastics for a long service life
- Maximum resistance to chemicals
- Very easy maintenance and care
- Pressure bottle & wet mopping unit available as separate spare parts

### FLEXIBLE

- Spray nozzle on handle (instead of on wet mopping unit) for a variable, optimal spray angle
- Compatible with various Wetrok wet mopping units
- Can be used for full areas, partial areas and spot cleaning

### EFFICIENT

- Consistently high pressure
- Precise spraying
- Mop provides optimum hold thanks to hook-and-loop strips

## Did you know that ...

... Variwet Plus is ideally suited for all rooms without a direct water source?

# The spray mopping unit for easy and ergonomic use

With the Variwet Plus, your floor cleaning is efficient, ergonomic and easy. There's no need to carry around heavy water buckets or a cleaning cart – the pressure bottle is integrated directly on the handle, so it's always there when you need it. Spray the cleaning solution onto the floor in front of the mop and get started – that's how easy floor cleaning is nowadays.

## The advantages for your use:

### Cleaning of entire areas

- Stairways
- Sanitary areas
- Lifts

### Manoeuvring made easy

The unit is lightweight, agile and can be used with little effort.

### Cleaning of partial areas

- Kitchen floor underneath the oven
- Sections of an office/schoolroom
- Parts of a patient area

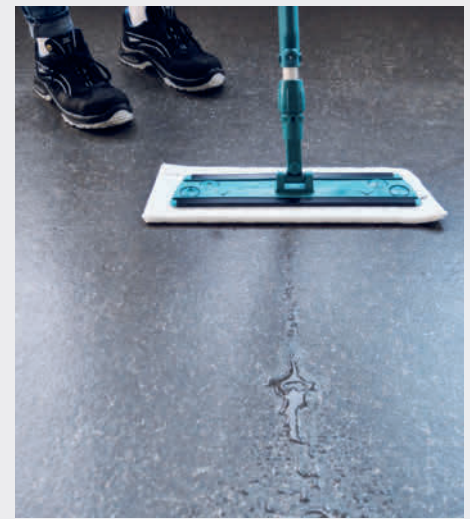

### Always optimally dosed

You decide how many sprays are required depending on the size of the section.

### Spot cleaning

- Coffee stains in the cafeteria
- Oil stains in the kitchen
- Blood stains in patient areas

### No transport aids necessary

You don't need water or a cart: the unit is ready to use immediately.

## Instructions for use and care

Would you like a step-for-step guide to the Variwet Plus?

Download it as a PDF file:

### Your flexibility bonus:

Variwet Plus is suitable for cleaning entire and partial areas as well as for spot cleaning.

## Product details

Art. No.	Description	Working width
80158	<b>Variwet Plus 380</b> (Incl. Balit 380, incl. pressure bottle 600 ml)	380 mm
80159	<b>Variwet Plus 560</b> (Incl. Balit 560, incl. pressure bottle 600 ml)	560 mm
